Turning travel into an experience

Limpopo – Bela Bela – Valley View Villa ★★☆☆

Elements Private Golf Reserve

This villa is situated on an 18-hole golf course in a beautiful nature reserve. There is a variety of buck on the reserve, which adds to the spectacular surroundings. This villa has four en-suite bedrooms which are all spacious and inviting, all with indoor and outdoor showers. The bedrooms are separated from the lounge and kitchen, which allows you to enjoy more privacy. There is a splash pool just below the balcony as well as a bon fire pit which is a great area to entertain in. The kitchen and lounge are open plan in one building, which has sliding doors that open out onto the balcony. The view of the bush is superb. The villas on the nature reserve are spread out, so you will enjoy a very quiet and tranquil stay in this house. You are able to enjoy more of the scenery by walking around the nature reserve and hopefully seeing some of the wildlife! Elements Private Golf Reserve is a short drive from Bela Bela town, which has all the amenities you may need as well as the hot springs which the whole family will love!
